REACHING NEW HEIGHTS

In education, as in other activities of human endeavor, progress is an essential quality. An inherent quality of progress is change, and Elizabeth City State University is experiencing transformations which guarantee its success as a viable institution of higher education. This Institution is striving to provide its students with the best facitilites and offerings in the state of North Carolina. The Institution has begun extensive transformation of its facilities. Ground has been broken for a new administration building. Lane Hall is to be renovated.

The offerings of the University have always been under constant scrutiny, but as we go into a new era of human endeavors, the need to update curricula has been recognized, and the means to realize these changes have been put in motion. Elizabeth City State University strives to be the best in the country. This goal is one toward which the University will diligently strive, for "man's reach should exceed his grasp, or what's heaven for (Robert Browning, *Andrea Del Sarte*)?"

The Alma Mater

Melody: Joy Wallace Brown
Harmonization and Revised Text: Evelyn A. Johnson

To Thee, dear Alma Mater
A tribute song we sing
Of thy true worth to all of us
O may we honor bring.

So now we'll join together
For Thee, O State, to work
Let none of us be faint at heart
Nor any duty shirk.

CHORUS

Hail to thy lovely halls
E C S U
We'll hear when duty calls
E C S U
Faithful and ever true
We'll be to you
For in our hearts we'll still love thee
E C S U
